**NOTICE TO BRUSSELS AND SEAFORTH
RESIDENTS & BUSINESSES**
who may be subject to frozen water services

~ It's Time to Shut Your Taps Off ~

If you received a letter in January encouraging you to leave a tap running at all times in your house, to prevent possible freezing, you can now turn it off.

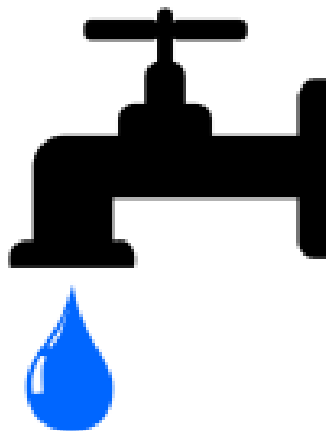

Now that warmer temperatures are here, it is no longer necessary to keep a tap running in order to prevent your water service from freezing.

Thank you for your cooperation over the past few months.

If you have any questions, please contact me at 519-527-1710.

Barry Mills, Public Works Manager

DATE: April 4th, 2018

Note: notices were mailed to the Owners of properties subject to freezing. It is the Owner's responsibility to ensure that any and all tenants are aware of their obligations as outlined here.
