

COME JOIN US

September 19-23 all roads will lead to Walton (82823 North Line, County Road 12), for what promises to be a 5 day celebration of agriculture, rural living and Huron County hospitality. In Huron we are well known for our fertile fields and strong agriculture industry; but we also take pride in the wonderful local people who call Huron County home, and we are working together to ensure a successful plowing match. Please join us, and help welcome tens of thousands of people from across the province to Huron East.

SOMETHING FOR EVERYONE AT IPM 2017

– Competition horse and tractor plowing
– Exhibits of farm equipment, building materials, household items and local art
– Fashion shows, cooking demonstrations and prize winning quilts
